We've got some major Seattle love

One of us has written 4 books

Five of us were born in a different country

One of us has won an Emmy for communications

It's awesome to work here

Half of our team regularly commutes to work via bike

Three of us have direct emergency response experience in over 20 countries

Many of us think about zombies

We speak 11 languages

One of us has great hair

From left to right and top to bottom: 1. We have lived in the Seattle area for an average of ~9 years 2.
